

United States Senate
WASHINGTON, DC 20510

May 13, 2022

The Honorable Brian Schatz
Chair
Appropriations Subcommittee on
Transportation, Housing and Urban
Development, and Related Agencies
United States Senate
Washington, DC 20510

The Honorable Susan Collins
Ranking Member
Appropriations Subcommittee on
Transportation, Housing and Urban
Development, and Related Agencies
United States Senate
Washington, DC 20510

Dear Chair Schatz and Ranking Member Collins,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Transportation, Housing and Urban Development, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Raphael Warnock
United States Senator

**Warnock, Raphael(D-GA) Transportation Housing and Urban Development
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Mt. Olive Community Outreach Center. Inc.	To increase the affordable housing stock in Albany, Georgia.	Albany GA	\$5,000
Athens Area Habitat for Humanity, Inc.	To increase the supply of owner-occupied housing in Athens-Clarke County, GA, and to establish youth mentorship programs.	Athens GA	\$15,111
Georgia Department of Transportation	The Midtown Connector Project (MCP) seeks to reconnect the neighborhoods of central Atlanta by creating a seminal destination that recaptures land lost through the unanticipated consequences of a single-purpose past to a more vibrant, sustainable, equitable, and multi-purpose future.	Atlanta GA	\$5,000
Georgia Department of Transportation	MARTA will create Safe Routes to Transit by providing safe access to bus stops by constructing a variety of pedestrian and ADA improvements, with a focus on equity and historically disadvantaged communities.	Atlanta GA	\$5,000
The Housing Authority of the City of Atlanta	To mitigate the impacts of digital inequity by residents of Atlanta Housing.	Atlanta GA	\$306
Atlanta Legal Aid Society, Inc.	To decrease housing instability among low-income Georgians.	Atlanta GA	\$1,971
Georgia Department of Transportation	This request will fund completion of HUB404's pre-design based upon the already completed conceptual design, allowing the project to move forward with the NEPA process and advance the HUB404 project.	Atlanta GA	\$1,170
Georgia Department of Transportation	This project includes the West Lake Bridge replacement over CSX and MARTA tracks near I-20 and Martin Luther King (MLK) Jr Dr. and includes sidewalks and shared-use path.	Atlanta GA	\$2,000
City of Atlanta	To provide housing to Atlanta Police, Fire, and Corrections Officers that rent apartments near the area they secure.	Atlanta GA	\$1,020
Georgia Department of Transportation	The start of the service will be a pilot to cover the areas of Rural 5311 Transit that is becoming urbanized according to the 2020 Census. It will be open to the public, transporting riders to jobs, medical appointments, shopping, classes, and other areas as requested.	Augusta GA	\$460
Georgia Department of Transportation	The study is to develop a concept for advancing the multi-modal trail project to construction based on considerations – consistency with vision and goals set forth in the County's Comprehensive Transportation Plan, Greenway and Trail Master Plan, and the Atlanta Region's Plan; Maximize safety, connectivity, and efficiency throughout the trail; Potential to address the existing and future needs of pedestrian and bicycle users; and for the future federal funding eligibility of all project phases. The communities are eager to get the project under construction and completed.	Austell GA	\$2,500
Georgia Department of Transportation	PCG Phase II completes a regional system connecting Atlanta, Brookhaven, Chamblee, Doraville to the Atlanta Beltline providing a low-cost, clean transportation alternative and last mile connectivity to transit.	Brookhaven GA	\$10,000
Georgia Department of Transportation	The funding request is for the Chatham Area Transit Savannah Belles Ferry System Hybrid Electric Fleet in the FY23 Transportation, Housing and Urban Development Appropriations bill. CAT is requesting funding to enable the ferry fleet to be fully modernized and enhance the state of good repair.	Chatham County GA	\$1,800

Chatham Area Transit Authority	Chatham Area Transit is requesting \$2,250,000 as a 50 percent federal match for the purposes of establishing a Paratransit Mobility Maintenance Facility, allowing Chatham Area Transit to provide ADA transit services for paratransit customers while increasing efficiency and reliability of mobility service in Chatham County, Georgia. This project addresses the impact of needed transportation services for those with temporary or permanent disabilities as well as aging population. It would afford space for potential growth, travel training programming, and expansion of bus parking. The location of this facility in the southern or western part of Chatham County will expand centralized access, decrease congestion, and help to reduce vehicle emissions in historic downtown Savannah.	Chatham County GA	\$2,250
Georgia Department of Transportation	Perform a feasibility study to determine best alternative for improving operations and safety of rail crossing.	Chatham County GA	\$300
Georgia Department of Transportation	Federal assistance will be used to construct a new roundabout at Conley Avenue and Columbia Avenue consisting of one 12' lane and continuing the 6' sidewalk and landscape buffer.	College Park GA	\$9,226
Georgia Department of Transportation	Funding will be used to procure ten (10) thirty-foot electric buses and ten (10) bus charging stations which will be operated by METRA, the public transit service provider in Columbus, GA.	Columbus GA	\$8,000
Georgia Department of Transportation	The Cobb Parkway Pedestrian Bridge North will be a new pedestrian bridge constructed over Cobb Parkway, needed to help address safety, equity, access, and connectivity issues in the Cumberland and City of Smyrna region.	Cumberland GA	\$1,000
City of Decatur, Georgia	To provide alternative green energy for low-to-moderate-income residents.	Decatur GA	\$179
Georgia Department of Transportation	The Agnes Scott-Oakview Bicycle Trail and Greenway Plan provides a direct link to the PATH Foundation's Trolley Line Trail and access to the Atlanta Beltline, connecting Decatur with metro-Atlanta's regional bicycle network.	Decatur GA	\$4,000
Georgia Department of Transportation	The Michelle Obama Trail (South River Trail) is an excellent candidate for Congressional Community Funding as it will connect to many other regional trails such as The Atlanta Beltline and Panola Mountain and Arabia Mountain PATH trail systems.	Decatur GA	\$2,894
Georgia Department of Transportation	To improve multimodal accessibility for East Point residents and surrounding communities.	East Point GA	\$1,750
Georgia Department of Transportation	The purpose of the project is for construction of a pedestrian bridge over State Route 331/Forest Parkway and construction of a greenway trail that connects the city's places of destination while at the same time providing a safe environment for pedestrians.	Forest Park GA	\$15,650
Fulton County Government	The Fulton County Airport is seeking to build a Customs facility to retain authorization for international landing and take-off rights, a new requirement of the U.S. Customs and Border Patrol.	Fulton County GA	\$2,000
Fulton County Government	The Fulton County Executive Airport (FTY), erected in 1949, requires a new terminal because the existing building has outlived its useful life. The terminal was recently closed to staff and the public due to health and safety concerns.	Fulton County GA	\$5,200
City of Hartwell	To perform home rehabilitation, historic preservation, and community revitalization.	Hartwell GA	\$4,000
Georgia Department of Transportation	MARTA's Clayton Justice Center Transit Hub will serve Routes, 191, 192, 193 and 800 by providing customers covered waiting areas, fare vending, real-time arrival/information, and public restrooms. Enhanced amenities along with easier bus-to-bus transfers will improve the transit experience.	Jonesboro GA	\$5,000

Georgia Department of Transportation	The project is intended to provide a safe and convenient crossing for pedestrians and cyclists using the Noonday Creek Trail. The proposed crossing includes elevated boardwalk approaches, a bridge over SR 3/US 41/Cobb Parkway, a bridge over Noonday Creek, and a segment of on-grade trail to tie to existing sidewalk. The total proposed crossing length is approximately 0.6 miles.	Kennesaw GA	\$2,000
Georgia Department of Transportation	Gwinnett County Transit intends to purchase 5 local buses & 5 paratransit vehicles for the Local Bus 60 route to provide adequate headways and service hours.	Lawrenceville GA	\$5,700
City of Newnan	To address housing deficiencies in the Chalk Level area of Newnan.	Newnan GA	\$4,600
Georgia Department of Transportation	The proposed spending request will help the City of Newnan and Coweta County resident by constructing additional phases of the Newnan/Coweta LINC multi-use path system. The LINC provides residents with alternative modes of transportation making the key facilities in the community accessible by pedestrian and cycling traffic.	Newnan GA	\$10,833
Georgia Department of Transportation	The project is intended to improve public safety and help lessen the number of accidents occurring at these crossings with the addition of specific equipment and to lessen the noise generated by the horns located within close proximity to each other which are negatively impacting residents.	Powder Springs GA	\$1,000
Rome Floyd County Development Authority	To rehabilitate the blighted Northwest Regional Hospital Property in Rome, GA.	Rome GA	\$5,160
Georgia Department of Transportation	The overpass in Tennille spans the Norfolk Southern Railroad next to Highway 15 as an alternate route when the crossing is occupied by rail cars. The overpass is in need of repairs before it degrades further. Failure to complete the repairs in timely fashion could lead to eventual collapse.	Sandersville GA	\$330
Georgia Department of Transportation	These improvements are for enhancing transportation and the life of the roadways.	Sandersville GA	\$1,500
City of Savannah	The project will Improve the safety of drivers, pedestrians, cyclists and transit riders development; Establish connectivity with the west Savannah neighborhoods to the fabric of downtown Savannah; and Restore the beauty that once existed in this thriving corridor.	Savannah GA	\$720
Georgia Department of Transportation	The City of Smyrna is developing a feasibility study to determine the alignment of a bicycle and pedestrian bridge, connecting Cobb County and the City of Atlanta, across the Chattahoochee River near Proctor Creek.	Smyrna GA	\$900
Georgia Department of Transportation	The project will separate the pedestrian traffic from users of state route 20 with 35,000 vpd and growing.	Sugar Hill GA	\$8,000
Wellroot Family Services	To help renovate a newly purchased facility to house transition-age youth in a supportive community.	Tucker GA	\$914
