The Honorable Sean Duffy
Secretary of Transportation
U.S. Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

June 18, 2026

Dear Secretary Duffy,

I am glad to write this letter encouraging the full and fair consideration of the application from the City of Savannah for the Department of Transportation Infrastructure for Rebuilding America grant funding.

If awarded, the City of Savannah plans to use this funding to advance right-of-way acquisition for the Freight Mobility, Military and Workforce Readiness Corridor Project on DeRenne Avenue, the primary road network access for Hunter Army Airfield, Memorial Health University Medical Center, and freight moving to and from the Port of Savannah. The City expects that this project will help relieve chronic congestion, improve military operational readiness, support economic growth, and boost public health and safety.

I encourage your full and fair consideration of this application, consistent with all agency rules and regulations. If you have any questions, please contact Tyler Hofmann-Reardon at (202) 224-3643 or Tyler_Hofmann-Reardon@warnock.senate.gov.

Sincerely,

Reverend Raphael Warnock
United States Senator
